

Guidelines for SWEET CORN

Pre-plant Soil Application: *Soil Solution* @ 24 Oz/acre. This application should be made in the Fall and incorporated, or up to planting in the Spring. For No-till or over a growing crop, increase rate to 32 Oz/acre.

Hopper Box Seed Treatment: Apply *Seed Coat* @ 2 Oz (dry weight) per planted acre of seed.

In-Furrow: *PercPlus* @ 8 Oz with *Zinc Plus* @ 16 Oz/acre (if needed). This combo may be applied with 2 to 3 gallons of liquid phosphate fertilizer. **NOTE:** Both are compatible with most Ortho Phosphate and Nitrogen liquid fertilizers. *MicroVite* @ 32 Oz/acre may be used as a replacement for the *Zinc Plus*.

Seedling Foliar: Make one to two broadcast applications of *PercPlus* @ 16 Oz/acre to 24 Oz/acre with *Zinc Plus* @ 16 Oz/acre or *MicroVite* @ 32 Oz/acre, beginning at two to three leaf seedlings. These applications may be applied in a tank mix with most herbicides (ex: glyphosate).

Designed to enhance crop vigor, root development, and tolerance to stress.

Side Dress: Apply *PercPlus* @ 16 Oz/acre with *Zinc Plus* @ 32 Oz/acre or *MicroVite* @ 48 Oz/acre with side-dress liquid nitrogen and/or phosphate fertilizers. *Boron Plus* @ 10 Oz/acre may also be added if desired.

Ear Leaf or Post-pollination (Tassel) Foliar: *CropKarb* @ 32 Oz/acre broadcast.

*May be applied with most pesticides or fungicides.

Maturity Foliar: Apply *Magnesium Plus* @ 32 Oz with *CropKarb* @ 32 Oz/acre in one to two applications within three to four weeks of harvest.

NOTE: *CropKarb* may be replaced with a tank-mix of *Potassium Plus* @ 32 Oz, *PercPlus* @ 8 to 16 Oz, and *Boron Plus* @ 4 Oz. *Plant Power* may be substituted for *PercPlus* and vice-versa in any application and at the same rate.

Mixing: Always dilute *Potassium Plus* in water first, and follow with other ingredients in listed order to avoid excessive foaming.

These **DeltAg Guidelines** have been utilized to improve overall crop health and are not intended to be utilized as a replacement for basic and customary fertilizer applications. **“Other Crop Specific Guidelines are available upon request.”**
